

Talisman's website

Last Updated Monday, 22 March 2010

Finally, the website of Talisman Hotels has been published final, our best congratulations to the management staff of hotels of Talisman for the end of work on the website finally.

You may reach the website here: <http://talismanhotels.com/>

The Talisman is a luxury «charm» hotel situated in the old town of Damascus, twenty minutes from the airport, a hundred yards from the old Roman straight way (Medhat Pacha) and the historical Bab Sharqi, famous now for its souks and street markets. This old Jewish palace, built in a quiet side street and easily accessible by car, has been restored in the most authentic tradition of an Arab house.
